

# IACS Fall Tournament – October 20, 22, 24, 2020

---

## **General Information**

The fall tournaments will look different this year due to COVID-19 and social distancing. We will be conducting a single elimination tournament with games being played at designated location for the Division 1 tournaments. The Division 2 Volleyball will be hosted at Emmanuel Christian School in Wabash, IN. This will also be a single elimination tournament, but will have a consolation game.

We will ask that teams and fans clear the facility if social distance is not able to be maintained so that the new teams and fans can come in to the facility and watch their teams. We ask that fans follow proper social distancing and use masks when appropriate. If you suspect that you might be ill or have been exposed to COVID-19, we would ask that you refrain from attending the tournament. We will plan to provide a link to be able to watch the games.
