1. Families are understood to be one family unit (i.e., mom, dad, children). Other extended family members (Grandparents, aunts, uncles, etc.) will need to pay the regular adult admission.
2. Students are considered in K -12<sup>th</sup>. There is no charge for preschool children; college students are considered adults, but may be included in the family price if attending with their family.
3. Schools bringing a large number of students on a fan bus may collect money prior to arrival, or pay by check payable to IACS. All students must check in as a group upon arrival.
4. Varsity Coaches and Varsity Players who are participating in the tournament will not have to pay admission to games at any site as long as they can be identified as a player/coach by wearing team gear/team warmups. (Boys' players attending girls' games, girls' players attending boys' games, etc.) This does not extend to JV or JH players not involved in this tournament. Please advise your students accordingly.
5. Active Team staff will not have to pay admission into the games if their team is participating that day.
6. CICC Passes are not permitted to be used for the tournament.

# Tournament Notes

1. Teams will be given 15 minutes of warm-up time between games.
2. The team with the better ranking is the home team for the game.
3. The "mercy" rule will be used during the tournament. A running clock will begin if a team is leading by 35 points in the second half. The running clock will continue for the remainder of the game and will only stop for an injury timeout, team timeout, between quarters, free throws, and anytime it is deemed necessary by the officials for safety reasons.
4. There will warm-up balls at ICA and Crosspointe for guys and girls teams.
5. The Indiana Association of Christian Schools wants to thank you for supporting this event and we appreciate your continued commitment to promote good sportsmanship among each school. We are glad for you to support your teams and encourage them from the stands. Disrespectful or intimidating actions toward players, coaches, other spectators or officials is not appropriate behavior. Kindness (Ephesians 4:32), Humility (James 4:6) and Respect (Romans 12:10) are biblical principles that are encouraged for all spectators and participants.
