# Admissions Pricing

Admissions	Student	Adult	Family
All Division 1 Games and Tournament Locations	\$4	\$6	\$20
Division 2 All Day Tournament (All Day – 12 Games)	\$8	\$12	\$40

1. Families are understood to be one family unit (i.e., mom, dad, children in one home). Other extended family members will need to pay the regular adult admission.
2. Students are considered in 1<sup>st</sup> – 12<sup>th</sup> grades. There is no charge for preschool children; college students are considered adults, but may be included in the family price if attending with their family.
3. Schools bringing a large number of students on a fan bus should collect money prior to arrival, or pay by check payable to IACS. All students must check in as a group upon arrival.
4. Varsity Coaches and Varsity Players who are participating in the tournament will not have to pay admission to games at any site as long as they can be identified as a player/coach by wearing team gear or team warmups. This applies to boys attending girls' games and vice versa. This does not apply to players not playing in the tournament.
5. Active team staff will not have to pay admission into the games if their team is participating that day.
6. CICC passes are not permitted to be used for the tournament.

## Tournament Notes

1. Teams will be given 15 minutes of warm-up time between games unless agreed upon by participating schools.
2. Host schools for the Quarterfinals should have 3 referees for the each game.
3. The team with the better ranking is the home team for the game.
4. The "mercy" rule will be used for the tournament. A running clock will begin if a team is leading by 35 points in the second half. The running clock will continue for the remainder of the game when the ball is out-of-bounds and will stop during timeouts and end of the quarter.
5. Warmup balls will be provided by the host school for Division 1. Division 2 teams should bring their own basketballs.
6. There will be water and cups provided for the Division 1 Semifinals and Finals. Since Division 2 will be at a neutral facility, teams should bring their own water and towels.
